Reference : Information of the Disposition of Assets dated August 10, 2007

Lam Soon (Thailand) Pcl. ("the Company") would like to inform you that the Board of Director's Meeting No. 8/2007 held on 31 August, 2007 at 1:00 p.m. passed the following resolutions:

The meeting unanimously approved to increase the deposition price of Trang Mill to United Palm Oil Industry Public Company Limited from Bath 155.30 million to Bath 166.3 million because Bangkok Property Appraisal Co., Ltd, the independent appraiser, had missed the following assets; trucks and vehicles, office furniture and equipment and spare part amounting at Baht 11 million. As a result of such change, the transaction size, according to the Notification of the Board of Governors of the Stock Exchange of Thailand, Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets, 2004, increases from 3.84% to 4.11% of the Company's total assets as of June 30, 2007. As such, the transaction size is less than 15% and qualifies as Class 3 transactions

Please be informed accordingly.

Sincerely Yours,

Anchalee Suebchantasiri
Director
