

LAM SOON (THAILAND) PUBLIC COMPANY LIMITED AND ITS SUBSIDIARIES

REPORT AND INTERIM FINANCIAL STATEMENTS

FOR THE THREE-MONTH PERIOD ENDED 31 MARCH 2006

Review Report of Independent Auditor

To The Board of Directors and Shareholders of
Lam Soon (Thailand) Public Company Limited

I have reviewed the consolidated balance sheet of Lam Soon (Thailand) Public Company Limited and its subsidiaries as at 31 March 2006, and the related consolidated statements of earnings, changes in shareholders' equity, and cash flows for the three-month periods ended 31 March 2006 and 2005 and the separate financial statements of Lam Soon (Thailand) Public Company Limited for the same periods. These financial statements are the responsibility of the Company's management as to their correctness and the completeness of the presentation. My responsibility is to report on these financial statements based on my reviews.

I conducted my reviews in accordance with the auditing standard applicable to review engagements. This standard requires that I plan and perform a review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. I have not performed an audit and, accordingly, I do not express an audit opinion.

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying financial statements are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

I have previously audited the consolidated financial statements of Lam Soon (Thailand) Public Company Limited and its subsidiaries and the separate financial statements of Lam Soon (Thailand) Public Company Limited for the year ended 31 December 2005 in accordance with generally accepted auditing standards and, under my report dated 27 February 2006, expressed an unqualified opinion on those financial statements. The balance sheet as at 31 December 2005, as presented herein for comparative purpose, formed an integral part of the financial statements which I audited and reported on. I have not performed any other procedures subsequent to the date of that report.

LAM SOON (THAILAND) PUBLIC COMPANY LIMITED AND ITS SUBSIDIARIES
NOTES TO INTERIM FINANCIAL STATEMENTS

1. GENERAL INFORMATION

1.1 Basis for the preparation of interim financial statements

These interim financial statements are prepared in accordance with Accounting Standards Pronouncement No. 41 ‘Interim financial statements’, with the Company choosing to present condensed interim financial statements. However, additional line items are presented in the balance sheets, and the statements of earnings, changes in shareholders’ equity, and cash flows as in the annual financial statements.

The interim financial statements are intended to provide information additional to that included in the latest annual financial statements. Accordingly, they focus on new activities, events and circumstances so as not to duplicate information previously reported. These interim financial statements should therefore be read in conjunction with the latest annual financial statements.

1.2 Basis of consolidation

The interim consolidated financial statements include the financial statements of Lam Soon (Thailand) Public Company Limited (herein after called ‘the Company’) and the financial statements of its subsidiaries (herein after called ‘the subsidiaries’), which were incorporated in Thailand, and have been prepared on the same basis as that applied for the consolidated financial statements for the year ended 31 December 2005. There is no significant change in the structure of the subsidiaries during the current period.

1.3 Significant accounting policies

The interim financial statements are prepared using the same accounting policies and methods of computation as were used for the financial statements for the year ended 31 December 2005.
